

Quality Policy

Rodwell Powell

Rodwell Powell is committed to consistently fulfil all customer requirements by producing components manufactured and delivered to the highest quality in accordance with relevant standards and legal, statutory, and regulatory requirements. This commitment is relevant to all employees.

The Quality Policy and the Vision of the company is to establish a Quality Management System (QMS) that continues to comply with our customer requirements and maintains its effectiveness by ensuring the products supplied by Rodwell Powell are safe and effective.

Rodwell Powell is committed to continuous review and improvement of the QMS to maintain its compliance and effectiveness.

The Quality Policy must be adhered to by all employees. The policy is established to ensure Quality Objectives are set based on the company's goals and will be reviewed through management review to ensure its continual relevance and suitability
